Product description

INTT Sexy Glow is a body illuminator that will leave skin soft and smooth as well as give it a sensual and sweet touch.

The cream is very soft and contains golden microbeads that provide an instant glow and a light tan. In addition, the product can correct skin imperfections such as blemishes and stretch marks, leaving it smooth and with a more even tone. It also adds an enveloping aroma of sweet vanilla.

For its application it is necessary to massage the area well with the product, making circular movements, until obtaining a uniform color and waiting for the product to dry.

It comes in an elegant, comfortable and practical container with a 60 ml dispenser.
