Product description

INTT Lasts is a powerful gel specially designed to prolong the erection thus delaying ejaculation.

Thanks to its composition of clove and mint extract, it helps with hypersensitivity in the intimate area and increases performance.

A small amount should be applied to the glans area, shaft of the penis and scrotum and massage the product until it is absorbed before practice.

It comes in a comfortable and practical container with a 15 ml dispenser.

Main features:

- Gel to prolong the erection.
- Delays ejaculation.
- Composed of clove and mint extract.
- Comfortable and practical format.
- With dispenser.
- 15 m container
