Product description

Black Hole, without a doubt the best option, dilator and relaxer is specially designed for the practice of anal sexual relations, being the dilator lubricant par excellence. It is a very high quality anal lubricant recommended both for all those who want to start practicing anal sex and for experienced users. Many couples are curious, but many don't dare to try it... The idea that it can cause pain often puts this practice aside, being one of the most pleasurable.

Black Hole Anal Relax was specially developed for anal pleasure. Due to the slightly numbing effect, the sphincter is effectively relaxed and thus ensures painless penetration without loss of sensation. Just gently massage into the anus, let it work for a short time and start your adventure of relaxed anal love.

The special grease-free composition of the lubricant is water-soluble and can therefore be easily washed off with water, it is dye-free and leaves no traces, even in passionate moments. With a silky smooth consistency that feels great on the skin and optimal coverage, the realax Black Hole Anal is ideal for worry-free and satisfying lovemaking. Quality made in Europe!

Characteristics:

- High relaxing and dilating power
- silicone based lubricant
- Special for strong dilations (ex. Fisting)
- condom compatible
- Colorless, odorless and tasteless
- not greasy
- Format: 100ml

BLACK HOLE ANAL RELAX

We build based on experience and how important it is to try new things and broaden your sexual horizons. The eternal taboo subject of anal sex is now socially acceptable and is practiced normally by millions of people. This slightly numbing lubricant was developed to make it easier for you to start anal intercourse
