Product description

Black Hole, without a doubt the best, dilating and relaxing option is here. Specially designed for the practice of anal sexual relations, being the dilating lubricant par excellence. It is a very high quality anal lubricant recommended for both those who want to start practicing anal sex and for experienced users. Many couples are curious, but many do not dare to try it... The idea that it can cause pain often causes it to be put aside because of the fear. practice, being one of the most pleasant.

Features:

- High relaxing and dilating power
- Water-based lubricant
- Special for strong dilations (e.g. Fisting)
- Compatible with condoms
- Colorless, odorless and tasteless
- Not greasy
- Format: 100 ml

Black Hole Anal Repair with Hyaluron **REPAIRS, PROTECT AND TEXTURIZES.** This product was developed especially for anal pleasure. Due to the slightly numbing effect, the sphincter relaxes effectively and thus ensures painless penetration without loss of sensitivity. Simply massage gently into the anus, let it sit for a short time and begin your relaxed anal love adventure.

* Hyaluronic acid is an ingredient widely used in skin care and health products in general. due to its beneficial properties.

1. **Deep hydration:** Hyaluronic acid is known for its ability to retain large amounts of water in the skin , which helps keep it hydrated and looking fresh and healthy.
2. **Anti-wrinkle:** By increasing skin hydration, hyaluronic acid can help reduce the appearance of wrinkles and fine lines, making it a popular ingredient in anti-aging products.
3. **Light texture:** Products containing hyaluronic acid often have a light, non-greasy texture, making them makes them suitable for different skin types, including sensitive and oily skin.
4. **Versatile Application:** Hyaluronic acid is found in a variety of products, such as serums, creams , gels and facial masks, allowing users to choose the formula that best suits their needs.
5. **Compatibility with other ingredients:** Hyaluronic acid is compatible with other common ingredients in skin care products , such as vitamin C, niacinamide and antioxidants, making it versatile and suitable for use in personalized skin care routines.
6. **Improved elasticity:** In addition to hydrating, hyaluronic acid can improve skin elasticity, helping it look firmer and toned.
7. **Reduced irritation:** It is gentle on the skin and can help reduce irritation and redness, which makes it suitable for people with sensitive skin.
8. **Long-term effects:** Regular use of products with hyaluronic acid may provide long-term health benefits and the appearance of the skin, helping to keep it soft, hydrated and rejuvenated.
9. **Safety:** Hyaluronic acid is a safe ingredient for most people and generally causes no side effects. serious side effects

when applied correctly.

The special grease-free composition of the lubricant is water-soluble and can therefore be easily washed with water, has no dyes and leaves no traces, even during passionate moments. With a soft and silky consistency that makes the skin feel pleasant and with optimal coverage, the Realax Black Hole Anal is ideal for satisfying and worry-free lovemaking. Quality made in Europe!
