Product description

Enjoy a more pleasurable and sensorial intimate experience with **Kissable Water-Based Intimate Gel with Blackberry Flavor**, designed to add a delicious and exciting touch to your most personal moments. Its natural formulation is carefully developed to provide effective, gentle, and safe lubrication, compatible with the use of condoms and sex toys, without altering the skin's natural balance.

Thanks to its blackberry flavor, this gel not only moisturizes and improves comfort during intercourse, but also stimulates the senses and adds a playful and erotic component, ideal for foreplay and sensual massages. Its light, non-sticky texture glides easily over the skin, leaving a feeling of freshness and well-being. This product is kissable, unisex, and dermatologically safe, making it a versatile and safe option for all skin types. Its water-based formula makes cleaning easy, prevents residue, and ensures a comfortable and pleasurable experience.

MAIN BENEFITS:

- Water-based intimate lubricant with a fruity blackberry flavor.
- Compatible with latex condoms and all types of sex toys.
- Smooth, kissable, and non-sticky texture.
- Natural composition suitable for sensitive skin.
- Ideal for erotic play, massages, or use during penetration.
- Unisex product, for sharing.

INSTRUCTIONS USE:

Apply the desired amount to the external intimate area or any other part of the body to improve lubrication and glide. Repeat as many times as necessary during the activity.

PRECAUTIONS:

For external use only. Avoid contact with eyes. Keep out of reach of children. Store in a cool place, away from direct sunlight and heat sources. If irritation occurs, discontinue use and consult a healthcare professional.
