Product description

Let yourself be seduced by the **perfect fusion of moisturizing cream and kissable gel,** an exclusive blackberry-flavored formula that stimulates the senses while caring for the skin. Its unique, light, and silky texture has been developed to glide smoothly over the body, leaving a hydrated, velvety finish with a delicate fruity fragrance that invites play and intimacy.

Ideal for sensual massages or as a complement to moments of pleasure, this product combines cosmetic care with a delicious sensorial experience. It is kissable and edible, making it an ideal ally for couples looking to innovate in their encounters without sacrificing skin care. Its formula is enriched with moisturizing agents that deeply hydrate, leaving the skin soft, luminous, and with an irresistible blackberry scent. Perfect for use anywhere on the body, and gentle enough to apply as often as desired.

MAIN BENEFITS:

- A fusion of moisturizing cream and a sensual, kissable gel.
- Sweet, seductive blackberry flavor and aroma.
- Light, non-sticky, fast-absorbing texture.
- Long-lasting hydration with a softening effect.
- Ideal for erotic massages or daily use as an aromatic moisturizer.
- Unisex product, suitable for all skin types.

HOW TO USE:

Apply the desired amount on any part of the body. Gently spread with circular movements until completely absorbed. Enjoy its aroma, flavor, and moisturizing effect. Use freely and repeat as needed.

PRECAUTIONS:

For external use only. Avoid contact with eyes. Store away from direct sunlight and heat sources. Keep out of reach of children. If irritation occurs, discontinue use and consult a healthcare professional.

Safety

Ingredients & Safety

All our products use body-safe, tested ingredients. Look for "hypoallergenic" and "glycerin-free" options for sensitive skin.
