## Product description

Enjoy a delicious and stimulating intimate experience with the **Blackberry Vibrating Lubricant**, formulated with a water base and developed to provide a pleasant vibrating effect that intensifies pleasure and adds a playful and sensual touch to your encounters.

Its natural composition makes it compatible with all skin types, as well as with condoms and sex toys, guaranteeing safety and comfort with every use. Its soft and light texture is easily applied to the skin, providing effective lubrication and a vibrant tingling sensation that ignites the senses. The delicious blackberry flavor makes this gel the perfect ally for foreplay, oral sex, and any moment of intimate connection. Its versatility and pleasant sensation make it ideal for both couples and solo exploration.

**MAIN BENEFITS:**

- Gentle vibration effect that stimulates and awakens erogenous zones.
- Irresistibly tempting blackberry flavor and aroma.
- Water-based formula, kissable and easy to clean.
- Compatible with condoms and sex toys.
- Natural composition suitable for all skin types.
- Unisex product, ideal for any intimate occasion.

**INSTRUCTIONS USE:**

Apply the desired amount to any part of the body to improve lubrication and enjoy the vibration effect. Reapply if you want to intensify the sensation.

**PRECAUTIONS:**

For external use only. Avoid contact with eyes. Keep out of reach of children. Store in a cool place, away from direct sunlight and heat sources. If irritation occurs, discontinue use and consult a healthcare professional.
