Product description

Discover a fiery and delicious intimate experience with the **Kissable Intimate Gel with a warming effect and blackberry flavor**, specially formulated to add intensity, pleasure, and sensuality to your most personal moments. Its warming effect activates sensations upon contact with the skin, intensifying desire and enjoyment both during foreplay and during oral sex or penetration.

Its delicious blackberry flavor stimulates the senses and turns every caress into an exciting experience, ideal for exploring new forms of intimacy. Its silky texture glides on easily, leaving the skin soft, scented, and with a warm enveloping sensation. This gel is Developed with a composition that respects the skins pH, compatible with latex condoms and sex toys, making it a versatile, safe and stimulating option for all types of intimate encounters. Plus, its kissable and unisex, perfect for sharing and enjoying without limits.

MAIN BENEFITS:

- Kissable intimate gel with an intense warming effect.
- Fruity blackberry flavor that awakens the senses.
- Ideal for oral sex, sensual massages, and penetration.
- Compatible with latex condoms and sex toys.
- Light, non-sticky texture, easy to apply and clean.
- Unisex product, suitable for all skin types.

HOW TO USE:

Apply the desired amount to any part of the body. Massage gently until the warming effect is activated. Repeat as desired to intensify the experience.

PRECAUTIONS:

For external use only. Avoid contact with eyes. Keep out of reach of children. Store in a cool place, away from direct sunlight and heat sources. If irritation occurs, discontinue use and consult a healthcare professional.
