Product description

Delay cream for men, which helps in cases of premature ejaculation, prolonging the time it takes a man to reach orgasm, allowing the partner to enjoy sex, instead of being worried about whether it ends in a hasty way.

It seems to be the most normal thing in the world for men to reach orgasm before women. In general, this is not a medical problem, there are many reasons for premature ejaculation.

However, premature ejaculation can make a woman think that she is not enjoying herself to the fullest, which makes sex life as a couple unnecessarily difficult.

Fortunately, there is a remedy: MEN STOP STOP.

- Provides greater endurance to men
- It is applied in a simple and discreet way as a spray
- It works instantly to provide greater sexual pleasure to the partner.

Improve your sexual confidence. Greater endurance for the man and maximum pleasure for the couple.

Goodbye to premature ejaculation problems.

Dermatologically tested. Antiallergic.

It does not irritate the skin or mucous membranes. It has no contraceptive properties.

18 ml container.
