Product description

Play Calor is a lubricant that warms upon contact with your skin so you not only feel a fabulous sliding sensation, but also a soft heat wherever you want to apply it.

Here's a bonus tip, blow gently to enhance the warming action and create an even more deliciously intense sensation.

It is a water-based lubricant so it is safe to use with condoms.

- Available in 50 ml format

Play Calor is water soluble and easy to wash. Furthermore, it is not sticky and does not stain.

Orientative product photo.

Brand characteristics: selected DUREX products available at Sforne with discreet delivery and clear product information.

Sensation Guide

Sensation Guide

Warming lubes feel hot – great for cold evenings. Tingling lubes feel cold and tingly – great for oral foreplay.

Not recommended for people with sensitive skin or vaginal yeast infections.
