Product description

Durex Naturals Extra Sensitive, is an extra sensitive lubricant made with 100% natural ingredients and natural Aloe Vera that provides softness and helps you feel soft sex naturally. This intimate lubricant from Durex provides the following benefits:

- With balanced pH that helps maintain the balance of the vaginal flora.
- With natural Aloe Vera that provides softness for the care of your skin and avoid irritations.
- It relieves discomfort during sex and makes it softer thanks to its water-based formula.
- Free of fragrances and dyes.
- Suitable for vaginal, anal and oral sex, and for use with natural rubber latex condoms and polyisoprene condoms.
- Use during sexual intercourse and daily sex.

Durex Naturals Extra Sensitive is 100% natural and is designed for you to feel your intimate moments soft and exciting. Its formula, water-based, does not have added dyes or perfumes, is compatible with vaginal pH and works with your body to moisturize your intimate areas achieving softness and comfort

Feel daily sex in a gentle and natural way.

Complies with the regulations for medical devices.

Lube Guide

Water-Based Lube Guide

Water-based lubes can dry out during long sessions – reactivate with a few drops of water or saliva. They leave no stains and wash off easily with water.

Our selection includes hypoallergenic, pH-balanced, and organic options for sensitive skin.
