Product description

Perfect Connection Lubricant is designed with a silicone base for longer-lasting lubrication, important for anal sex and for the discomfort associated with vaginal dryness. It provides lubrication that does not dry easily and is more durable than water-based lubricants.

- Compatible with all Durex condoms.
- Suitable for anal, oral and vaginal sex.
- Soft as silk, and warm to the touch.
- Alcohol-free and fragrance- and glycerin-free.

The physiology of the anal area, in which there is not enough natural lubrication, can hinder penetration and lead to the appearance of discomfort and / or pain when practicing anal sex.

Designed with a silicone base, Durex Perfect Connection lubricant provides more durable lubrication than water-based lubricants so you can enjoy uninterrupted sex.

Compatibility

Silicone Lube Guide

Silicone lubes are waterproof – perfect for bath, shower, or pool. They do not wash off easily, so expect long-lasting glide. Some people find them difficult to clean up.

Our silicone lubes are body-safe, odorless, and tasteless – ideal for all types of play.
