Product description

Improve vitality and virility with Pro Virility Caps, our dietary supplement and part of the XPOWER product range. Tribulus helps increase testosterone levels and improves erections.

Vitamin B6 helps reduce fatigue and boost vitality and sexual performance, while vitamin B5 contributes to maintaining a stable metabolism of steroid hormones. It is this unique combination of ingredients that makes Pro Virility Caps a true booster for greater virility and a better sex life.

- Increases virility
- 60 vegetable capsules

Summary:

1. Pro Virility Caps helps men improve their virility and naturally increase testosterone levels.
2. Tribulus may help raise the body's testosterone levels and improve erectile function.
3. Guggul helps maintain proper prostate function.
4. Vitamin B6 helps reduce fatigue.

Directions for use:

- Take 2 capsules per day for a period of 3 months for optimal results.
- Contents: 60 vegetable capsules

Food supplement. Should not be used as a substitute for a varied and balanced diet. To be taken as part of a healthy lifestyle. Keep out of reach of children. Do not exceed the recommended daily dose. Not recommended for children, pregnant or breastfeeding women, or people allergic to salicylate derivatives, or those undergoing antihypertensive, antidiabetic, or anticoagulant treatment. Seek advice from your doctor and/or pharmacist before use. Store in a dry, dark place.

Ingredients: Tribulus fruit extract, capsule shell: hydroxypropylmethylcellulose, L-arginine, maltodextrin, anti-caking agent: magnesium salts of fatty acids, niacinamide (niacin), selenium-enriched yeast, zinc oxide, calcium D-pantothenate (pantothenic acid), thiamine hydrochloride, pyridoxine hydrochloride (vitamin B6).
