Product description

Female Instinct is a masculine perfume with a concentrated pheromone fragrance.

Pheromone perfume stimulates the natural desire for attraction by increasing the sensuality of those who apply it. These mechanisms are born thanks to the sense of smell that, by perceiving unconscious signals that arise from natural erotic fragrances, leads to a state of excitement, increasing the woman's desire.

Female Instinct's pheromone fragrance will unleash your natural desire, making everyone who applies it attractive and irresistible.

- Pheromone fragrance
- Long-lasting effectiveness

Tips

Application Tips

Apply to pulse points (wrists, neck, behind ears). Do not over-apply – a little goes a long way.
