Product description

Pheromone-scented perfumes are designed to attract the opposite sex through olfactory stimulation.

They are distinguished from normal perfumes because unconscious emotions arise, producing an intense stimulating sensation that will increase the most hidden desires. The particular formulation of this perfume releases a stimulating fragrance that will increase his or her natural desire, transporting them to an erotic and seductive dimension.

Captivation Chase Me is attractive and hypnotic, releasing an irresistible fragrance into the air and its formulation is specifically designed to give rise to intense desire.

- Perfume Chase me for him
