Product description

Lubran Oil Based is an intimate fluid cream lubricant based on precious emollient vegetable oils, specifically formulated to moisturize the external genital organs. Thanks to the calming effect of its precious natural extracts, it prevents sensations of discomfort, burning and irritation that can affect the most sensitive areas of the body when subjected to natural and prolonged stress.

- Long lasting effect.
- Its formula, enriched with Jojoba and Calendula extracts, makes the skin soft and supple.
- Dermatologically tested
