### Product description

Sensilight Fun Fragrance Cherry is a flavored lubricating gel specially formulated to enhance intimate pleasure. Water-based and water-soluble, it can be easily removed by simply rinsing with water.

- **Water-based** - Ultra-slippery for maximum comfort

Water-based lubricants are intimate products specifically designed to reduce friction during sexual activity. They are suitable for both vaginal and anal intercourse, depending on the specific formulation. They provide a long-lasting, comfortable lubricating effect and can be safely used with all types of sex toys.

- **Delicious fragrances** - With a fruity aroma

Flavored lubricants release aphrodisiac aromas of real fruits into the air, making intimate moments even more sensual by stimulating the imagination toward new pleasures.

- **Non-greasy and non-staining** - Easily rinsed away

This water-based lubricant is non-greasy, does not stain, and can be removed with a simple rinse after use, thanks to its neutral composition without added oils or harsh substances.

- **Condom compatible** - Safe for latex

Thanks to its gentle formula, this water-based lubricant can be safely used with condoms during vaginal or anal intercourse, helping to prevent sexually transmitted infections associated with unprotected sex.
