Product description

MaxTurbo is a water-based lubricating gel for men.

Its formula provides prolonged lubrication and maximum compatibility with the skin, reducing the risk of irritation. MaxTurbo's long-lasting lubricating properties guarantee intense and continuous male pleasure.

MaxTurbo does not stick and ensures deep and persistent hydration; It also does not stain and is removed with a simple rinse. **MaxTurbo** is a male lubricant specially formulated for autoeroticism. Its water-based composition allows it to be used whenever necessary, avoiding irritation or discomfort. Ideal for intensifying personal pleasure, it guarantees a lot of durability without the skin becoming sticky.

MaxTurbo is a water-based lubricant for men produced in Italy by IntimateLine. Specially formulated for male autoeroticism, it allows you to intensify pleasure in the most intimate moments. Ultra soft, MaxTurbo lubricant will keep the area lubricated for a long time, without sticking or staining and is compatible with all types of sex toys.

Make your solo moments extremely pleasurable and exciting with MaxTurbo, masturbation has never been so satisfying that you won't mind cumming. Infinite heavenly moments for maximum erotic satisfaction,

Lube Guide

Water-Based Lube Guide

Water-based lubes can dry out during long sessions – reactivate with a few drops of water or saliva. They leave no stains and wash off easily with water.

Our selection includes hypoallergenic, pH-balanced, and organic options for sensitive skin.
