Product description

FUCKME is one of the naughty games from the "XXX-ME" series by Tease & Please, for maximum pleasure and unlimited fantasy between the couple in love.

With this game you are going to discover positions that are not easy at first, but that, without a doubt, can be pleasurable. The characteristic toys serve to help and/or increase mutual pleasure so that sparks will fly.

In the game box you have the following erotic objects:

- a ring of love
- A vibrating love ring
- Erotic dice.
- This game also contains 6 extensive workbooks with tasks in 10 languages: English, Spanish, French, German, Dutch, Polish, Russian, Italian, Swedish and Norwegian.

Last but not least, this game contains a deck of cards with 52 Kamasutra postures to never forget. Let yourself be surprised by tasks in which mutual pleasure is the main thing.

Each posture has its own advantages, in which some areas are stimulated in a special way and thanks to which, in addition, you will also become more flexible. Tease & Please wishes you to achieve maximum pleasure with the game.

To finish: **FUCKME** is recommended, without a doubt, for all those who want to experiment with different, pleasurable positions, in whose game box there are also helpful erotic objects.
