Product description

Exciting erotic game through which you and your partner can have the best Fifty Shades of Gray experience at home. For those who enjoyed reading the trilogy or watching the movie(s), your fantasy can now become a reality with the Master & Slave game.

Each box contains all the items you will need, such as a whip, a gag, a paddle, a blindfold, a collar, a feather tickler, a set of handcuffs, a set of ankle cuffs, a tie, a rope bondage and a belt. The game also comes with 24 playing cards with clear instructions in 10 languages: Dutch, Enlish, German, French, Spanish, Italian, Swedish, Nordic, Polish, Russian.

You never know what could happen in this exciting game of power and submission. Would you like to hold all the ropes or would you rather be the one tied and gagged? Are you in charge or do you want to obey? Does the whip come down on your buttocks or will you administer an erotic whip to your partner? Be amazed by the task cards where you can alternate between being Dominant or Submissive, or both can choose your favorite role. However, one thing is certain: your senses will increase dramatically and, more importantly, everything you need is in the game box, including a whip, gag, paddle, blindfold, collar, feather tickler, wrist and ankle cuffs, tie, bondage rope and a belt. We wish you endless fun with this game box full of erotic surprises.

Bottom line: MASTER & SLAVE is an absolute must for those who want to experiment a little with some kinky eroticism in their sexual relationship. All the accessories you could want can be found in the box.

BDSM Safety

Safety First in BDSM

Consent, communication, and safety are paramount. Our products include safety features like quick-release buckles. Never leave a restrained person unattended.

Start slow, check in often, and always have safety scissors nearby for emergency release.
