### Product description

To what extent do you dare to surrender to one another? Who will take the ropes and who will be submissive? Experiment with the bondage rope, flogger, and blindfold and see what you like best.

If you want to get to know your partner on a more intimate level, then this game is highly recommended!

Enjoy each other and the game, but also make sure that you practice the task cards safely. Consent, safe words, and open communication are vital.

Establish boundaries and use a safe word to indicate when you want to stop.

Always make sure that ties aren't cutting off circulation, so leave a bit of room. It is advised to keep scissors close, to be able to cut the ties if necessary
