Product description

Boyglide Erection cream is a super active cream with stimulating and energizing properties that make it ideal for massaging the male private parts. It offers an immediate stimulating effect that reactivates circulation and reduces fatigue by supporting penile erection. Its natural extract formula means that it does not require a prolonged massage and is free of contraindications.

- Caution: May cause slight redness. Do not use if you have damaged or irritated skin.
- External use
- dermatologically tested

Brand characteristics

Brand characteristics: selected INTIMATELINE products available at Sforne with discreet delivery and clear product information.

Usage Guide

Stimulant Guide

Test on small area first. Avoid urethra opening. Wash hands after application.

Not a substitute for medical treatment. Consult doctor for erectile dysfunction.
