Product description

CLOVER from **INTENSE** is a vibrating ring designed to maximize pleasure and offer a unique experience in your intimate moments.

In a captivating **black color**, this vibrating ring has a remote control and 10 vibration modes, allowing you to explore a wide variety of sensations and find the one that excites you the most.

Ergonomic and Powerful Design:

With a design that adapts perfectly to the penis, CLOVER provides satisfying stimulation. Its powerful motor ensures intense vibrations that elevate pleasure to new heights.

Body Safe Material:

Made from super soft silicone, CLOVER is completely safe for the body, free of phthalates. The flexibility of its design allows for comfortable use and is adapted to the preferences of each user, guaranteeing a pleasant sensation when in contact with the skin.

Remote Control:

CLOVER includes a remote control that allows your partner to take control or experience new dynamics, providing versatility to enjoy different sensations and moments of fun.

Waterproof and Rechargeable:

With its waterproof design, you can enjoy CLOVER in the shower or bath without worry. Plus, it's USB rechargeable, making it easy to use and maintain, allowing you to enjoy your moments of pleasure without interruption.

The CLOVER vibrating ring from INTENSE is the ideal choice for those looking for a complete and customizable stimulation experience, combining elegant design, power and comfort. Discover a new level of pleasure with CLOVER!
