Product description

Take your pleasure to the next level with **KAROL**, the multifunctional vibrator that combines thrusting, stimulation, and suction in a single device. Designed for those seeking a complete and immersive experience, KAROL offers intense sensations both during penetration and external stimulation, delivering deep and unparalleled pleasure.

CHARACTERISTICS :

- **Automatic thrusting function**, which simulates a realistic penetration movement, providing a more natural and pleasurable user experience.
- **Vibrating stimulation with multiple vibration modes**, allowing you to explore everything from gentle pulsations to powerful vibrations, adjusting them according to your desire and need.
- **Suction function integrated** into the clitoral stimulator, providing external stimulation in the most sensitive area with a suction-like effect to reach climax quickly.
- **Premium medical-grade silicone**, soft, hypoallergenic, and body-safe, ensuring a comfortable and safe pleasure experience.
- **Powerful and quiet motor**, which offers you intense vibrations without being noisy, ideal for discreet and private use.
- **Waterproof (IPX7)**, allowing you to use it in the shower or bath, and **USB rechargeable**, making it an eco-friendly and convenient device.

Why choose KAROL?
