Product description

Refreshing condoms for sex. Pasante cooling condoms are ribbed and feature a special cooling lubricant for even more passion and excitement! Condoms are made of natural latex and are lubricated and have a reservoir.

Cool and stimulating: these are the two characteristics of the condoms **Cooling Sensation** from the Pasante brand. This type of condom is lubricated with a gel that, when in contact with the skin, generates a pleasant sensation of freshness. When using **Cooling Sensation**, during penetration, you will be invaded by an incredible sensation. The cold effect that will make your nights of passion much more pleasant. In addition, these condoms are also equipped with a raised texture that during intercourse helps to stimulate the penis and vaginal walls, increasing the sensations of pleasure derived from the relationship as a couple.

In 2016, Pasante Healthcare Firm was acquired by Karex Bhd, the largest condom manufacturer in the world, being a strategic fit for both companies as it will allow its growth and investment in Pasante and its subsidiary brands. Pasante offers the largest selection of condoms in the world, all manufactured to the highest quality standards. All Pasante latex condoms carry both the kitemark and the CE mark, while non-latex condoms carry the CE mark.
