Product description

Enjoy your erotic walk to the fullest and don't worry about anything that could disturb your thoughts. Trust in this Pasante Mint lubricating gel Tingle 75 ml and experience the uniqueness of your intimate moment. The vegan gel without animal ingredients was created for extraordinary moments of passion, taking into account the sensitive environment of your parts. The soft and smooth texture of the gel Water-based glides on beautifully and provides long-lasting hydration. Non-irritating, non-sticky and leaves skin silky and perfectly hydrated. Refreshes and provides a unique, slightly vibrating stimulation effect for even more intense sensations of pleasure. Plus, you'll love the refreshing aroma of mint.

Pasante gels are subject to strict dermatological tests and have health certification. They are compatible with all erotic aid materials and latex condoms. No contains spermicides. The handy dispenser bottle can be easily hidden in your handbag or jacket pocket for all occasions. Simply turn the pump to the ON position and squeeze to apply a layer of gel on the intimate parts or a condom. After opening, use within 3 months. Discover the exciting, premium teasing gel and enjoy fresh, spicy fun.

Why choose Pasante Mint Tingle Lubricating Gel 75 ml:

- Premium lubricant gel with maximum care for sensitive skin.
- It does not irritate or stick and does not leave stains.
- Vegan composition without animal ingredients.
- A lovely and refreshing mint aroma with a slight cooling and vibratory stimulation effect.
- It stands out for its excellent long-lasting slip and perfect hydration.
- Compatible with all erotic aids and condoms.
- Practical bottle with dispenser.
