Product description

Pasante Jelly Lubricant is specially formulated to provide comfort and relieve symptoms of vaginal dryness in women from pre- to post-menopause.

Our lubricant is gentle, water-based, non-irritating, and designed with a pH-balanced formula that adapts to the pH levels of the vagina, making it safe and gentle to use in the intimate area during sexual activities.

With its recyclable tube, you can feel good about your purchase while enjoying its numerous benefits. Trust our expertly crafted lubricant to enhance your sexual experience and improve your overall comfort and well-being.

Designed to amplify pleasure, making every touch and movement more intense and pleasurable. Its formula provides a velvety smooth texture that enhances sensitivity, creating an intensified and stimulating experience.

Specifically formulated to offer long-lasting lubrication, reducing friction and discomfort. With just a small amount, you can enjoy long-lasting pleasure without the need to constantly reapply.

Compatible with both latex and non-latex condoms, ensuring safe, worry-free intimacy. Adds an extra layer of comfort and protection, allowing you to fully immerse yourself in the moment.

FEATURES:

- Suitable for pre and post menopause
- Recyclable packaging
- Water-based
- Safe for oral and anal sex
- Extra comfort
- Condom compatible
- Can be used for 6 months once opened

How to use:

Open the cap at the bottom of the tube, remove the foil seal and squeeze the bottle to dispense the lubricant. Lubricating Jelly is condom compatible, just apply to the outside of the tight-fitting condom.

Important: Always read the instructions and ingredients listed on the package before use.

Safety

Ingredients & Safety

All our products use body-safe, tested ingredients. Look for "hypoallergenic" and "glycerin-free" options for sensitive skin.
