ECO COLLECTION

Aware of the world around us and taking full responsibility for our actions, we are pleased to present you the first collection of ecological erotic lingerie in Europe. Thanks to the latest technological solutions, we managed to find the perfect harmony between fashion and the natural environment in the form of the **Passion Eco Collection** series.

This collection will be perfect for customers who value following trends and at the same time care about the natural environment and ecology. For the production of underwear we use recycled materials confirmed by the corresponding international certificates, for example GRS Global Recycled Standard or the OEKO-TEX system.

Advantages of the ecological collection:

- Modern design.
- Recycled fabrics.
- Renewable technologies.
- Reduction of water consumption during production by up to 56%.
- Reduction of volatile substances during the production process,
- natural dyes,
- Reduction of CO2 emissions.
