Product description

PORIGELIA

Awaken your power of seduction with the Porigelia corset by **PASSION**, a garment that redefines sensuality with a striking and feminine design. Its bold combination of vibrant red and intense black conveys elegance and strength, ideal for women who seek to stand out with confidence and style.

Made with a blend of high-quality fabrics, this corset offers a soft and flexible texture that adapts to the body, shaping the figure with precision and comfort. The translucent tulle details and contrasting panels create a suggestive visual play, while its structure highlights the waist, enhances the bust, and naturally slims the silhouette.

With adjustable closures and a construction designed to offer support without sacrificing comfort, the Porigelia corset is perfect for both a special night out or to complete a high-impact intimate look. Its elegant and provocative design makes it a key piece in any luxury lingerie collection.

Available in sizes S/M and L/XL, it is the perfect choice for those who want to feel powerful, sensual, and absolutely unforgettable.

Passion is lingerie manufactured in the European Union with strict quality controls, taking care of the smallest details in both manufacturing and its decorative elements. Designed for today's world, for dynamic people who want to innovate and always feel up to date.
