Product description

The Deluxe Mega-Bator is the only hands-free masturbator in the world that does all of the work for you, so you can experience the ultimate hands-free pleasure experience! The innovative Deluxe Mega-Bator combines hands-free rotation and thrusting that can be enjoyed in 10 unique patterns for completely customizable masturbation sessions.Enjoy the best of both worlds! Intense rotation combined with powerful piston-action thrusting - the innovative hands-free Deluxe Mega-Bator spins and thrusts you to explosive pleasure! With 3 interchangeable pleasure toppers you can enjoy a snug pussy, tight ass or supple lips depending on your mood. Slide through the realistic pleasure topper to enjoy a stimulating textured sleeve lined with rows of tiny ribs that tease your shaft with every thrust. The powerful motor ensures strong, steady rotation, piston-action thrusting, and exclusive sleeve suspension system will completely satisfy your entire penis, giving you the best stroker session you've ever had!

- Spinning & Thrusting Action - Unlike ordinary automatic strokers that either spin around or stroke up and down, the Deluxe Mega-Bator combines both rotation and stroking movements for the most realistic sensations ever reproduced. The unique motion allows the textured pleasure sleeve to rotate while the gear thrusts up and down, giving you incredibly lifelike stroking sensations.
- Featuring Our Exclusive Sleeve Suspension System - Our state-of-the-art Sleeve Suspension System features a powerful magnet that locks the moving cup into place, making it easy to remove the sleeve for cleanup after the fun. Once the sleeve is inserted into the plastic tube and suspended from the top of the cylinder, the super-stretchy material allows the user to get maximum penetration as the cup magically stretches when you're inside the sleeve.
- One-Touch Control Pad - The Deluxe Mega-Bator features 5 powerful speeds and 10 thrilling pulsation patterns. Use the arrow keys to cycle through the functions, and use the plus and minus keys to increase or decrease the speed.
- Interchangeable Realistic Pleasure Toppers - Choose from 3 Deluxe Mega-Bator toppers – a snug pussy, tight ass or supple lips. Each topper is smooth, stretchy and warms to your body temperature to offer you a realistic feel.
- One-Touch Control Pad - Command 5 powerful speeds and 10 thrilling pulsation/rotation patterns to surround your penis with a maximum mind-blowing experience!
- Hands-free Operation - Use your Deluxe Mega-Batoras a hand-held stroker, or mount it to the suction cup bracket for a completely hands-free experience! Place your own mobile device in the convenient mobile device clamp for added visual stimulation.
- Conveniently Rechargeable - Rechargeable via the USB charging cable included. Plug your DELUXE MEGA-BATOR into any USB port to charge it. The LED light will blink while the unit is charging and turn solid once the charging is complete. Approximate run time is 1.5 hours and approximate charge time is 2 hours.
- Care Instructions: The PDX Elite Deluxe Mega-Bator toppers and sleeve are removable for easy cleaning. Simply unscrew the topper to switch or remove. Unclip the clear ring at the top of the sleeve case to remove the sleeve. The clear ring holds the sleeve in place for usage. The Deluxe Mega-Bator includes a travel cap for storage. Clean up is a snap after the fun with Refresh Toy Cleaner and warm water. If desired, use a water-based lotion like Moist with this product.
- Tablet /ipad adapter is not included

Operating Instructions:

- Before You Begin - The Deluxe Mega-Bator is shipped with a plastic insert separating the magnets. The pleasure

topper and sleeve must be removed in order to remove the plastic insert so the Deluxe Mega-Bator is ready to be used.
- Power On – Press the center button on the One-Touch Control Pad to turn your Deluxe Mega-Bator on.
- Start – Press the right arrow to start rotation and thrusting. Continue to press the right arrow to cycle through 10 pulsation patterns. Press the left arrow to return to the previous pattern. Intensity – Use the “+/-” keys to increase or decrease speed through 5 levels of intensity.
- LED Lights On – LED Lights are activated automatically when the Deluxe Mega-Bator is turned on.
- LED Lights Off – Press the center button to turn your Deluxe Mega-Bator off.
