Product description

Experience the ultimate hands-free experience! Intense suction and powerful piston-action thrusting gives you intensified orgasms and maximum pleasure! Suction and thrusting can be enjoyed both together and separately!

Experience the best of both worlds! Intense suction combined with powerful piston-action thrusting—the innovative Moto-Bator sucks and thrusts you to explosive pleasure! Slide through the supple lips of the soft sleeve to enjoy rows and rows of stimulating pleasure nubs surrounding your shaft with every thrust. The powerful motor ensures a strong, steady vacuum will snugly suck your entire penis, giving you the best masturbation session you've ever had!

Customize your pleasure just the way you want it! Enjoy suction and thrusting—separate or together! Both powerful motors work independently so you can enjoy a stimulating, tight vacuum suction with or without pleasing thrusting. Two patterns of thrusting speeds add more excitement with the simple press of a button. Surround your penis with the ultimate mind-blowing experience!

- Intense Suction - Ultimate pleasure surrounds your penis with an incredibly stimulating vacuum suction that snugly tugs your most sensitive area. Press the "R" button to experience extra excitement.
- Removeable Soft & Stretchy Sleeve - The super-stretchy and soft sleeve features supple lips and is lined with rows and rows of stimulating pleasure nubs. Pleasantly warms to your body temperature and is removable for solo fun and easy cleaning.
- Powerful Piston-Action Thrusting - The ultra-strong motor provides deep, pleasing thrusts with 2 stimulating speed options.
- Care Instructions: The PDX Elite Moto-Bator sleeve is removable for easy cleaning. Simply unscrew the top ring to remove the sleeve. Cleanup is a snap after the fun with Refresh Toy Cleaner and warm water. Do not submerge the Moto-Bator in water. If desired, use a water-based lotion like Moist with this product.
