Product description

Not only does the Moto Blower stroke you like normal masturbators, it combines incredible suction and vibration with super smooth automatic movement.

The internal push mechanism is completely concealed inside and features 2 metal "grab" rings around the sleeve that knock and squeeze the shaft. Each ring is lined with a row of pleasure beads that roll up and down the shaft, while the super soft TPR sleeve wraps around every inch of the penis. The rechargeable motor offers pro-level performance with 2 levels of intense movement speeds, 3 powerful suction modes, and 5 exciting vibration patterns that will drive you crazy.

Slip into the fitted TPR sleeve and wrap your shaft with row upon row of smooth pleasure bumps, then customize your pleasure with the push of a button. Your best blowjob experience is ready when you are!
