Product description

This revolutionary patented design allows you to customize your pleasure with an extendable tube that locks into place at the exact length you want. The Extender Pro vibrating pump has advanced technology. Progressive IST with incredibly realistic intermittent suction to deliver realistic milking sensations. for the best blowjob of your life!

For an even more mind-blowing masturbation experience, enjoy fully automated vibration along with powerful suction. Simply press the buttons on the rechargeable motor for 3 suction modes. n and 5 patterns of provocative vibrations that travel throughout the penis. The transparent tube is Designed for a firm grip and lets you see the action.

The stretchy TPR pleasure donut helps create an airtight seal, while the soft internal pleasure nubs gently caress your shaft.

EXTRA INFORMATION:

- Progressive IST technology = realistic intermittent suction: Enjoy maximum pleasure with realistic intermittent suction that automatically milks your shaft and feels like a real oral experience.
- Surround your penis with 3 modes of stimulating vacuum suction that comfortably takes you to ecstasy.
- The results are clear: the durable, clear suction tube lets you see the action.
- Removable Soft Pleasure Topper: The stretchy pleasure topper features a flexible vagina that forms a tight seal to create intermittent suction.
- The topper is removable for easy cleaning and the pump can be used with or without it.
- Helps for erectile dysfunction: Regular masturbation strengthens the pelvic floor muscles, which helps prevent erectile dysfunction ED in men. Edging, the practice of intentionally delaying orgasms, can build sexual stamina and may help with erectile dysfunction by encouraging healthy blood flow to the penis.
