Product description

Experience two modes of erection enhancement with this pump. The PDX Elite Suck-N-Pump Stroker features a medical-grade pump to pump up your erection, and it can also be used as a masturbator—choose your preferred option. Customize your pleasure, all in one.

As an erection pump, you just have to put it in position and squeeze the medical inflator, you will see how it strengthens your erection, increasing both the thickness and length of the member quickly and effectively.

As a masturbator, simply set it to the masturbation mode, and pressing the medical-grade pump will perform the suction function. You can add extra pleasure by activating the multi-vibration mode to add powerful vibrations.

Its soft TPR sleeve seals tightly, creating an incredible suction sensation and providing incredible results. The transparent surface is designed for a firm grip and sized so you can see how your member is growing at all times. You can quickly release pressure with its quick-release system. It's also waterproof so you can use it in the bath or shower.

Enjoy the sensation of oral sex and hard, powerful erections.
