Product description

No lube needed, just add water!

Get ready for an unforgettable masturbation session when you slide your penis deep into the **Wet Pussies Super Stroker**.

It's self-lubricating, meaning all you need is a little water and your stroker becomes a slippery, orgasmic fun pleasure zone! The Wet Pussies Super Stroker features a sleek ergonomic housing that protects your stroker and doubles as discreet storage.

The inner sleeve is removable for easy cleaning with an antibacterial cleanser and warm water. Wipe dry, then let air dry completely before storing.

FEATURES:

- Overall length: 21.6 cm
- Diameter: 7.6 cm
- Insertable length: 16.5 cm
- Material: TPR, ABS
