Product description

It’s time to fulfill all of your sexual fantasies with the 360° Banger Masturbator! Unlike other masturbators, this unique design allows you to enjoy it in any position that you want. Lay the masturbator on its back for missionary style, on its stomach for doggy style, or let it ride you cowgirl for an extra-wild time! The possibilities are endless with the 360° Banger, while the Fanta Flesh® skin and hyper-realistic details make it look and feel like the real thing!

*Note: Both holes connect to the same internal canal, which is approximately 10" long. The walls of the tunnel are intended to be tight and stretchy and aren't very wide when you first start out. With a few uses, the elasticity will increase and should be able to accommodate most sizes.
