Product description

Go on an excursion and experience thrills with the **Fap Flask**, the discreet water bottle stimulator!

Imitating a modern reusable water bottle, it guarantees privacy by blending seamlessly into any environment.

Ideal for travel or discreet moments, it easily hides in backpacks, suitcases or car trunks. Say goodbye to prying eyes with its sleek design.

Inside, discover pleasure ribs for unrivaled stimulation. Designed for realistic sensations, it exceeds expectations. The lid features a flip-top suction control valve to adjust the airflow. Need speed? The integrated finger ring ensures a secure grip and effortless portability.

Enjoy discretion and satisfaction on the go!
