Product description

Introducing the Fuck Flask, the discreet water bottle stimulator – your ultimate refreshment with a naughty twist!

This innovative design blends seamlessly into any environment, ensuring your pleasure remains truly private.

Designed to mimic a modern water bottle, it's perfect for discreet satisfaction, whether discreetly placed on your bedside table or hidden in your luggage.

But what sets it apart is the super-realistic vagina interior with pleasure-enhancing textures for an unparalleled experience. Made from our premium Fanta Flesh® material, it feels incredibly real to the touch. With a quick-release suction control valve and ergonomic thumb ring, enjoy pleasure with absolute control and unrivalled comfort.

Say goodbye to prying eyes and hello to discreet pleasures!

Care Guide

Manual Masturbator Guide

Use lubricant for best sensation. Clean with soap and water after each use. Air dry completely before storing.

Rotate between different textures to avoid boredom.
