Product description

The **PDX Plus EZ Bang Torso** has full-size features in a compact design and was designed with your comfort in mind.

With our **EZ Bang** design, the vaginal cavity and anal cavity have been raised and positioned at the perfect angle for easy penetration. It gives you a perfect fit at all times for maximum comfort and maximum pleasure.

And don't forget about the realistically soft but firm breasts, because they're perfect for squeezing and pounding! Made from our award-winning Fanta Flesh, the EZ Bang Torso mimics the look and feel of natural skin for incredible realism and explosive climaxes.

Note: Both holes connect to the same internal channel, which measures approximately 10" / 27 cm long. The walls of the tunnel are designed to be tight and stretchy and not very wide when you start. With a few uses, the stretch will increase and you should be able to fit most sizes.
