Fragrance note

- Top note
- Ylang-Ylang, Bergamot
- Heart note
- Heliotrope, Bulgarian Rose Hedione
- Base note
- Myrrh, Sandalwood

PheroStrong Pheromone Elixir for Men is a fragrance that immerses you in the fascinating world of the senses, acting as an invisible force of attraction. It is a unique composition, created for men who want to express their self-confidence and irresistible charm at every moment.

The fragrance opens with notes as light as the morning wind: a delicate Hedione that introduces freshness and a pleasant euphoria, reminding you of all the potential of a new day. These fleeting chords create space for the senses, announcing more intense experiences.

At the heart of the fragrance is a refined bouquet full of passion. Iris and heliotrope work together in this harmony, adding mystery and depth. These are notes that not only tempt, but also stimulate reflection, bringing to mind your deepest desires.

The base of this elixir is the true essence of masculine strength and magnetism. The warm, earthy notes of patchouli intertwine with the richness of myrrh, creating a unique impression of durability and intensity. Vanilla gently complements the composition, giving it a touch of sweet and subtle elegance.

PheroStrong Pheromone Elixir for Men is a fragrance that not only emphasizes masculinity, but also invites those around you to discover your magnetic personality. Perfect for special occasions, evenings or meetings where you want to leave an unforgettable impression. This is a choice for self-confident men, ready to live sensual and unforgettable experiences.
