Product description

No Rings. No Snaps. No Hassle!

PUSH-AND-PLAY Patented Powerful Suction Design

The patented Body Dock Strap-On Suspenders take strap-on play to a whole new level! They’re not just stylish, but they also provide maximum support and comfort with the padded form-fitted body plate, detachable suspenders, adjustable side-release buckles, and removable shoulder pads. Changing your favorite strap-on accessory has never been faster or easier! It’s as simple as attaching the suction cup on your favorite dildo or vibrator to the docking plate, while the nylon straps easily adjust to fit most sizes and body types. Best of all, it works with most dildos on the market today, including some you may already own. No rings. No snaps. No hassle!

Patented Suction-Based Design

Push and Play! Simply push the suction cup of your favorite dildo or vibrator against the concave suction dock until ALL of the air between them is released! The suction creates a super-strong bond with no need for rings or snaps!

The Angled Suction Plate Keeps your Dildo Erect

The Body Dock features an angled suction dock to help counteract sagging caused by traditional harnesses, keeping everything looking as natural true to life as possible.
