Product description

PLEASURE GEL - **pjur MAN Lust** invites men to redefine passion. Its innovative formula with natural paracress (spilantol) activates in seconds, providing an intense tingling sensation that lasts up to 15 minutes.

The gel also nourishes and refreshes the skin of the external intimate area, leaving a silky smooth sensation. Whether used solo, with a masturbator, or as an exciting addition to foreplay, **pjur MAN Lust**offers versatile ways to elevate male pleasure and push the boundaries. Its water-based formula ensures comfortable application and compatibility with sex toys. **Pjur MAN Lust** is the new pleasure gel for men who want more. More intensity, more sensations, more passion.

- Water-based formula, also suitable for masturbators.
- Starts to work in seconds and provides intense stimulation for up to 15 minutes.
- Innovative active complex with natural paracress (spilantol) to stimulate sensations.
- Completes the pjur range with a unique innovation.
