## Product description

**REGENERATING INTIMATE CREAM** - The skin in your intimate area needs special care. **pjur ORGANIC Care** is a gentle intimate cream, specially developed for sensitive skin, with a fragrance-free, mild, and highly effective formula.

Made with 97% natural and vegan ingredients, this silky-textured cream provides intense, long-lasting moisture. It soothes irritated skin and helps it recover more quickly from microdamage caused by shaving or friction. With regular use, **pjur ORGANIC Care** helps improve skin elasticity and firmness and promotes the natural regeneration of stressed skin. Thanks to its airless dispenser, the cream is easy and hygienic to apply. Simply pump and repeat as needed to get the exact amount you need.

Ideal for sensitive skin, formulated to adapt to the natural pH of the intimate area and dermatologically tested. For pampered, velvety-smooth skin, day after day.

As part of the pjur ORGANIC range, this product is the ideal complement to ORGANIC Touch and ORGANIC Fresh, creating a holistic concept for natural intimate care that allows you to feel good in every intimate encounter.
