PRETTY LOVE BM-00900T100-1
The Pretty Love ATHENA Egg Stroker is made of super stretchy TPR that's easy to stroke and twist around yourself. The exterior features a rippling wave texture that provides a secure grip in your fingers as you play with the stroker, or you can flip the egg inside out to swap to the unique texture inside — squeeze the material as tight as you want to intensify the textures or go easy to feel the texture lightly gliding all over your erection!

The compact design comes in a hard shell case that's perfect for travelling with, and the soft TPR is also waterproof for solo stroking fun in the shower or bath, giving you more places and ways to enjoy your erotic egg!
