Product description

This 7-function vibrating ring will provide assisted erections longer and firmer and will delay ejaculation for prolonged satisfaction. Designed with all the attributes of a cock ring, restricting blood flow to keep the penis swollen, it also has the added bonus of a sturdy, vibrating penis rack.

The gorgeous silicone finish will feel great. Incredible during prolonged sexual sessions for both you and your partner, as it keeps them hard for longer. Having 7 vibration functions gives you the opportunity to experiment with pulses and speeds, each setting with the ability to bring you to a mind-blowing climax.

Features:

- Memory function
- 7 vibration modes
- USB charger
- Measurements: see images
- Material: Silicone

Advanced Guide

Advanced Anal Guide

Warm up with smaller toys first. Use high-quality silicone or metal for easy cleaning. Never force insertion – stop if you feel sharp pain.

Clean thoroughly after each use. Metal plugs can be boiled, silicone can be washed with soap.
