### Product description

#### **PRETTY LOVE BW-500036-2**

Triple stimulation with extra powerful vibrations!

**Pretty Love's Triple Vibrator** is an elegantly curved rabbit vibrator with an anal stimulator, providing simultaneous vaginal, clitoral and anal stimulation.

Its head has 7 vibration functions and its shaft with 4 ball-spinning functions massages the vagina and especially the G-spot.

The sophisticated clitoral stimulator perfectly targets external hot spots with its 7 vibration functions, while the flexible balls stimulate the anal region.

And by pressing the Brust Clamix button you can provide all-round stimulation at its finest! The silicone construction with a silky Soft Touch texture makes it easy to insert and almost slides in on its own. It adapts perfectly to the body's anatomy and movements.
