Producer code	**FETISHID-237021**
EAN	**6959532328684**

Product description

This soft silicone vibrator with 30 function rabbit vibrator is incredibly equipped to give you intense pleasure night after night. The shape of this sleek and stylish toy is smooth and curved with a thick head to reach your inner G-spot and a smaller curved rabbit clitoral stimulation to ensure fist-pumping orgasms. The vibrator has 30 different vibration settings to give you hours of endless play time. This toy is made with a high quality velvet silicone that provides a beautiful, sexy and silky feel to leave you completely satisfied all night long.

A rechargeable vibrator with more than 30 vibrations is a sophisticated sex toy specifically designed to provide an intense and personalized pleasure experience. Made with body-safe materials, this toy features an ergonomic design that perfectly fits the anatomy to provide precise and comfortable stimulation.

The main feature of this stimulator is its extensive variety of over 30 vibration modes, allowing users to explore a wide range of sensations and find the intensity and pattern that best suits their individual preferences. From gentle pulsations to powerful vibrations, this toy offers exceptional versatility to personalize the intimate experience.

The built-in recharge function adds convenience and sustainability by eliminating the need for disposable batteries. Equipped with a USB cable charging system, this stimulator is easily recharged, ensuring that it is always ready to satisfy your desires without interruptions. Plus, battery life is usually long enough for extended pleasure sessions.

The soft-touch silicone ensures a comfortable experience during insertion, while the intuitive controls allow you to easily switch between the different vibration modes without interruptions. Likewise, proper cleaning after each use is essential to maintain the hygiene of the toy and ensure its durability.

CHARACTERISTICS:

- Function: 30 vibration functions + 30 licking settings
- Charging: USB rechargeable
- Material: Silicone
