Producer code	**FETISHID-237405**
EAN	**6959532328615**

Product description

Designed to give you dual stimulation with 12 vibration functions and 3 licking functions, this vibrating egg is a force to be reckoned with. Enjoy double the pleasure simultaneously for maximum satisfaction. The memory function will keep track of your favorite settings, and with 12 vibration functions, you'll have no problem finding the one that pushes you over the edge. Made from gorgeous silicone, this toy feels as amazing in your hands as it does inside you.

The Stimulating Vibrating Egg with Vibration and Licking Function is an innovative device designed to elevate the intimate experience to new heights of pleasure and arousal. Made from body-safe materials, this intimate toy features a sleek, ergonomic design that adapts perfectly to the female anatomy, providing comfort and satisfaction.

This compact device, which resembles an egg, houses powerful vibrating motors that offer a wide range of intensities and patterns to suit individual preferences. In addition, it incorporates a unique licking function, which simulates the sensation of oral stimulation, adding a sensual and realistic element to the experience.

The wireless remote control allows the user or her partner to personalize and adjust the vibrations and licking function, providing complete control over the intensity and speed of the sensations. This feature not only adds excitement to foreplay, but also encourages exploration of new forms of intimate pleasure.

The versatility of this vibrating egg is highlighted by its ability to be used in various environments, whether in the privacy of the home or in more public places, thanks to its discreet size and silent operation. This discretion allows the couple to share intimate and exciting moments, taking complicity and connection to a deeper level.

In addition to providing sensual pleasure, this erotic toy may also have sexual health benefits. Vibrating and licking stimulation can increase blood circulation, improve sensitivity and contribute to overall well-being.

CHARACTERISTICS:

- Function: 12 vibration functions + 3 licking functions + memory function
