Product description

This mini vibrating bullet comes with 12 functions. Especially when a girl needs just a little more clitoral stimulation to go into pure ecstasy and this multi-speed bullet, quieter than most on the market, has the power to do the trick with just the ease of the dial! Whether playing with the nipple or clitoris or sharing these sensations with your lover, let this bullet help you move towards your next climactic experience!

The Remote Control Mini Bullet Vibrator is a compact and versatile stimulator designed to deliver personalized, discreet pleasure. With its compact size and ergonomic shape, this little wonder is designed to fit comfortably in the palm of your hand, allowing it to be used alone or as a couple.

Made with high-quality materials and a soft-touch texture, the mini bullet offers a pleasant sensual experience in contact with the skin. Its discreet and elegant design makes it a discreet and portable toy that can be easily carried in a bag or pocket, allowing you to take the fun anywhere.

The highlight of this mini bullet is its wireless remote control, which adds an exciting element to the experience. The remote control allows the user to explore various vibration intensities and patterns with ease, giving full control to both the person using it and their partner. This attribute opens the door to exciting foreplay and intimate adventures, as the remote control can be used at close range or even from another location, adding an extra layer of anticipation and mystery.

In addition, the mini bullet vibrator usually has several vibration modes, from gentle pulsations to intense vibrations, to adapt to the individual preferences of each user. Its silent motor guarantees discretion during use, allowing you to enjoy the experience without worries
