Product description

This buzzer bunny is the new and improved version of Pretty Love's best-selling cock ring, now with silent vibrations and an upgraded, longer-lasting AAA battery, all in compostable packaging. As before, it uses a stretchy silicone design to keep the toy in place, with one ring that wraps around the user's shaft and the other sits over the balls for a secure fit. The shaft ring restricts blood flow out of the penis to help the user maintain a harder erection for longer. This also intensifies your orgasms for an ultra-explosive finish!

FEATURES:

- Function: 10 vibration functions
- Power: 1 AAA battery
- Material: ABS silicone
- Color: Blue
- Packing size (mm): 150*95*60

Pretty Love manufactures high quality products. All products are designed in the United States and have a 1-year warranty against technical defects. The pleasure is assured!
